

Data Privacy Statement

Scope of Application

This data privacy notice explains to users the nature, scope and purposes of the gathering and use of personal data by the provider responsible (numas sa, Freigutstrasse 26, 8002 Zurich) on this website.

Access Data / Server Log Files

The provider gathers data each time that this website is accessed (so-called server log files). The access data include:

- The name of the website accessed, file(s)
- The date and time of access
- The volume of data transmitted
- A notification about successful access
- The browser type and version
- The user's operating system
- The referring URL (the page visited previously)
- The IP address and requesting provider

The provider only uses the log data for statistical evaluations for the purpose of the operation, security and optimization of the website. The provider reserves the right to check the log data retrospectively if, based on concrete evidence, a justified suspicion of illegitimate use exists.

Dealing with Personal Data

Personal data is information, with the aid of which a person can be identified, i.e. details that can be traced back to a person. The latter includes the name, e-mail address or telephone number. However, personal data also includes data on preferences, hobbies, memberships or which websites have been looked at by somebody.

Personal data is only gathered, used and passed on by the provider if it is statutorily permitted or the users consent to the data being gathered.

Making Contact

When contact is made with the provider (for example, via the contact form or e-mail) the user's details are saved for the purpose of processing the enquiry, as well as in case any subsequent questions arise.

Newsletter

With the newsletter (e.g. release information) we inform you about ourselves and our products.

If you would like to receive the newsletter, we need a valid e-mail address from you, as well as information that allows us to check that you are the owner of the e-mail address given or that the owner of it is in agreement with receiving the newsletter. No further data is gathered. This data is only used to send the newsletter, and is not passed on to third parties. When you subscribe to the newsletter, we save your e-mail address and the date of subscription. You may revoke your consent to the storage of data, the e-mail address and the use of it for sending the newsletter. The revocation may be effected by sending us a notification, using any one of the above-mentioned contact options.

Integration of Services and Content of Third Parties

It may occur, that content of third parties, such as videos from YouTube, map material from Google Maps, RSS feeds or graphics from other websites are integrated into this website. This always requires the providers of such content (hereinafter referred to as "third party providers") to make use of the user's IP address. For, without the IP address, they would not be able to send the content to the browser of the respective user. The IP address is therefore necessary for displaying such content. We endeavor to only use content, for which the respective providers only use the IP address to deliver said content. We do not, however, have any influence upon whether the third party providers save the IP address, e.g. for statistical purposes. In so far as we are aware of this, we make this clear to the users.

Links

Links to third party websites are provided on this website for your information and convenience only. The contents of these websites are the responsibility of the provider of the respective websites themselves.

Cookies

Cookies are small files which make it possible to save specific, device-related information on the user's access device (PC, smartphone, etc.). Firstly, they serve the purpose of making websites user-friendly, and thus making the users happy (e.g. by saving login data). Secondly, they serve to record the statistical data regarding website use, so as to be able to analyze it for the purpose of improving the website. The users may have an influence upon the deployment of the cookies. Most browsers have an option with which the storage of cookies is restricted or prevented entirely. It is, however, pointed out that the use, and in particular the convenience of use, is limited without cookies. You can manage may online display cookies of companies via the US page <https://www.aboutads.info/choices/> or the EU page <https://www.youronlinechoices.com/uk/your-ad-choices/>.

Google Maps

This website uses the product Google Maps from Google Inc. By using this website, you consent to the collection, processing, and use of data collected automatically by Google Inc., its representatives, and third parties. You can find the terms of use under "[Google Maps terms of use](#)".

Google Analytics

This website uses Google Analytics, a web analysis service from Google Inc. ("Google"). Google Analytics uses so-called "Cookies", text files which are stored on your computer and which make it possible to analyze your use of the website. The information that the cookie generates about your use of this website is transferred to and stored on a server operated by Google in the USA. If IP-anonymization is activated on this website, your IP address will be truncated by Google within the area of Member States of the European Union or other parties to the Agreement on the European Economic Area. Only in exceptional cases will the whole IP address be first transferred to a Google server in the USA and truncated there. Google will use this information on behalf of the operator of this website for the purpose of evaluating your use of the website, compiling reports on website activity, and providing website operators with other services relating to website activity and Internet usage. The IP-address that your browser conveys within the scope of Google Analytics will not be associated with any other data held by Google. You can prevent cookies from being stored by using the appropriate settings in your browser; we must warn you however that in this case you may not be able to use all of the functions on this website to their full extent. You can also prevent Google's collection and use of data relating to your use of the website via cookies (including your IP address) by downloading and installing the browser plug-in available through the following link: <http://tools.google.com/dlpage/gaoptout>

More information about terms of use and data protection is available in the [Google Analytics terms and conditions](#) and the [Google Analytics overview](#).

Revocation, Amendments, Corrections and Updates

The user is entitled, upon request, to be given information about the personal data saved about him or her, free of charge. In addition, the user is entitled to have incorrect data corrected, or his or her personal data blocked and deleted, unless any statutory obligation to archive it is in conflict with the latter.

To exercise your rights, you can contact us as set out in the imprint.
